You're invited to attend our May Blowout Sale for 48 hours only at Walley Ford!  
Located at 1234 South St, in the city of Anywhere.

The last time you were here you test drove our 2004  
**Windstar**. Now you can test drive the 2005 model.

Safety has always been a priority with Windstar. It was the first minivan to earn the U. S. government's five star front crash test rating. And it's the only vehicle to earn the government's highest rating in both front and side impact crash tests -- a quadruple five star rating.\* With Windstar you also get versatile seating, a smooth car-like ride and engines strong enough to get you into the passing lane.

The last time you were here you test drove our 2004 Explorer. Now you can test drive the 2005 model.

No matter what the conditions are on the outside, or where you want to go, Explorer four-door provides you with a very civilized sanctuary. So whether you're packing up for a weekend at the cottage, heading off to go canoeing with an old college roommate, or simply dashing down to the video store, Explorer can take you there. And just about anywhere else. It's all about making life a little easier.

The last time you were here you test drove our 2004  
**Mustang**. Now you can test drive the 2005 model.

How many car companies can say they built a legend?  
Today, the Mustang movement continues to spark the  
imagination with its powerful blend of beauty and  
brawn.

Icon or legend. Muscle or sport. It doesn't matter what  
you call it. You know the name: Mustang!
