

L5520 LaserLine

20 PPM Continuous Form Laser Printer

Key Advantages

- ?? Perfect for medium to high volume production jobs up to 200,000 pages per month
- ?? Prints on difficult-to-print materials such as plastics and synthetics using Printronix' unique FlashFusion fusing system – a system that achieves greater toner fusion without high heat or pressure
- ?? Low cost per page
- ?? Lower purchase price makes the L5520 ideal as a company's first laser printer or as a highly-reliable backup for the L5524, L5031, L5035 and L5535
- ?? Handles forms from 7 to 17.5 inches wide and 1 to 99 inches long
- ?? Tight forms registration is assured with the L5520's pin-feed tractor paper advance mechanism
- ?? The L5520's straight-through paper path and its fan-feed tractor paper advance mechanism virtually eliminates paper jams
- ?? Automatic forms alignment and job separation features virtually eliminates forms waste
- ?? Application software investment protection with Printronix System Architecture (PSA) compatible emulations and page description languages
- ?? Optional power stacker permits long, unattended print runs and frees operators for other tasks
- ?? Connectivity into almost any computing environment, including Windows
- ?? Simplified software upgrades via disk
